

SCOUTS VICTORIA

CDS PARTNERSHIP

Benefits - Why Partner with Scouts?

Partnering with Scouts to donate eligible CDS containers is a simple yet impactful way to support both the environment and the community. Nobody is more passionate about the environment than the young people who will inherit the planet from us.

Environmental Stewardship

Reduce environmental footprint by ensuring more effective recycling of waste through the circular economy. This aligns with goals to minimize greenhouse gas emissions, improving energy efficiency and supporting the Paris Agreement for a sustainable future.

Boost Local Community Engagement

Scouting in Victoria has over 25,000 members. Promote links to Scouts in local community.

Tax Benefits

Donations to Scouts Victoria are eligible for tax deductions, and we will provide monthly tax-deductible receipts for all contributions.

Enhanced Corporate Social Responsibility (CSR)

Demonstrates commitment to environmental sustainability and community support. Generate positive publicity of commitment in shared marketing materials.

Support Youth Development

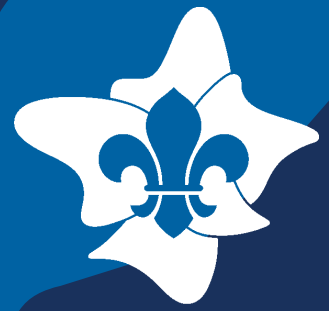

Scouting helps build resilience in young people and leadership in communities. Help Scouts raise funds for delivery of programs that support youth development, showing investment in local communities and the future generations.
